## SMALL CRAFT ADVISORY

OCTOBER 16, 2017

### ENGLISH

Due to the current weather conditions, the **National Emergency Management Office (NEMO)** is issuing a **SMALL CRAFT ADVISORY** to all boaters in the Republic of Palau traveling to Kayangel, Angaur, Peleliu and outside the reef. At the same time, the **Small Craft Advisory Flags** have been raised.

Water conditions in these areas are relatively rough at this time and NEMO requests that **ALL** sea bound boaters take all precautionary measures and **OBSERVE ALL MARINE SAFETY REGULATIONS**.

If you are traveling to Angaur, Peleliu, Kayangel or outside the reef and the water conditions are too rough, **DO NOT** proceed to these areas/destinations.
