

SPECIAL WEATHER STATEMENT

Friday, February 9, 2018

This is a Special Weather Statement from the National Emergency Management Office in collaboration with the National Weather Service informing the public that a Tropical Depression is located 910 miles East – Northeast of Palau and is moving North – Northwest at **14 mph**.

Heavy showers, isolated thunderstorms and wind conditions will be about **20-25 mph** with wind gusts of up to **40 mph** will be expected by Sunday.

Sea and Surf conditions may become hazardous during this time with a combination of swells and wind waves across Palau.

The public is reminded to secure any loose items around their residences and to take precaution when driving for possible flooding, landslides/mudslides and debris.

NEMO and the National Weather Service will continue to monitor weather conditions and will update the public accordingly.
