

SPECIAL WEATHER STATEMENT

Sunday, February 11, 2018
1:00 PM

This is a Special Weather Statement Update from the National Emergency Management Office in collaboration with the National Weather Service informing the public that a Tropical Storm is located 100 miles East – Southeast of Palau and is moving West at **20 mph**. **Current position has its track passing South of Koror, Palau.**

Heavy showers, isolated thunderstorms and windier conditions of **25-30 mph** with wind gusts of up to **50 mph** will be expected this afternoon until tonight.

Sea and Surf conditions may become hazardous during this time with a combination of swells and wind waves across Palau.

The public is reminded to secure any loose items around their residences and to take precaution when driving for possible flooding, landslides/mudslides and debris.

NEMO and the National Weather Service will continue to monitor weather conditions and will update the public accordingly.
