

SPECIAL WEATHER STATEMENT

Sunday, February 11, 2018

4:45 PM

This is a Special Weather Statement Update from the National Emergency Management Office in collaboration with the National Weather Service informing the public that a **Tropical Storm 02W** has slowed down and weakened as it approaches Palau.

Heavy showers, isolated thunderstorms and windier conditions of **25-30 mph** with wind gusts of up to **40 mph** will be expected tonight.

Sea and Surf conditions may become hazardous during this time with a combination of swells and wind waves across Palau.

The public is reminded to secure any loose items around their residences and to take precaution when driving for possible flooding, landslides/mudslides and debris.

NEMO and the National Weather Service will continue to monitor weather conditions and will update the public accordingly.
