Dear Chairman Whipps:

RE: Announcement of Monthly Shipping Schedules

In light of the heightened emergency preparedness for the Corona Virus (COVID19) here in Palau, I believe it is necessary to ensure that the general public is properly informed on the continuity of operations for essential services.

Since the shipping industry is considered an essential service, all shipping agents in Palau are to immediately announce, publish and make readily available to the public their monthly shipping schedules effective immediately.

This effort will decrease public anxiety from misinformation and provide necessary assurance to the public. Your assistance and cooperation is greatly appreciated as we work together as industry partners to continue to provide necessary services to our people during this most challenging time.

Ke Kmal Mesulang,

Charles I. Obichang
Minister
