

BUREAU OF AGRICULTURE

Ministry of Agriculture, Fisheries & the Environment
Republic of Palau

December 1, 2021
Serial No.: 1005-21

PUBLIC ANNOUNCEMENT

Processing of Import Permits

The public is hereby informed that the Bureau of Agriculture will be changing its import permit process beginning December 6, 2021. The change will affect when import permits will be issued by the Bureau.

Permits applications may be found online (<https://www.palau.gov.pw/executive-branch/ministries/natural-resources/bureau-of-agriculture/>) or picked up at the Biosecurity Office at the airport and submitted to the biosecurity office at the airport office or emailed to palauquarantine11@gmail.com for processing. All permit applications must be submitted by the end of business day on Wednesdays to receive the permit or other information by Friday of that same week.

The change being made will allow the Bureau of Agriculture time to verify the items that are being imported as there has been an increase in the number and variety of agricultural and other products being imported into Palau.

Thank you for your time and understanding in this matter and please feel free to contact us at the Bureau of Agriculture at 767-5435/3125 or at boa.sers@palaunet.com and/or the Biosecurity Office at 587-2504 or at palauquarantine11@gmail.com for more information.

Gwendalyn Sisor
Acting Director, BOA
