Tax Reform Webinar

On March 29, 2022, from 9 am to 11 am, the Ministry of Finance’s Tax Reform Committee, with the support of the Palau Chamber of Commerce, held the first Tax Reform Webinar. The webinar is the committee’s first major outreach event aimed to promote taxpayer awareness. The Webinar focused on the core components of each of the taxes and programs covered in the Comprehensive Tax Reform Act and the expected outcome for businesses and consumers.

We would like to take this opportunity to thank all our participants for joining us in the webinar. Your attendance contributed significantly to the success of the webinar. We would also like to take this opportunity to extend our apologies to those who were not able to register to join the webinar. This is only the first of many more engagements. The Tax Reform Webinar has been recorded and uploaded to the Palau Tax Reform 2022 YouTube channel. If you have any questions, concerns, or suggestion regarding the tax reform, please do not hesitate to contact us at (680) 488-2702, email taxreform@palaugov.org or via messenger on the Tax Reform Office Facebook page.
