PCS-2022-016- To provide janitorial/cleaning services for Central Community Health Center and other outlying health centers

1. **HOURS:** Can the vendor submit our time to clean as long as it is between 7:30am-4:30Pm, Monday to Friday for the Central Community Center?

Answer:

Flexibility is a factor in deciding which vendor to choose. Being stuck within certain hours might not be favorable. This site has clinics from morning and afternoon, and sometimes in the evenings. It needs regular, frequent, and available cleaning and disinfecting.

2. What is the operation time and days to clean for the other locations in Airai, Ngarchelong, Ngeremlengui and Melekeok? If the vendor can also submit our time during the operations?

Answer:

These other locations are not as busy as those in Koror, however, it needs regular cleaning and disinfecting on a daily basis. Other deep cleaning/disinfecting might be scheduled on a weekly, bi-weekly, and/or monthly basis.

3. **CHEMICALS / EQUIPMENT:** Who provides the chemicals and equipment to clean? **MHHS**

4. **SUPPLIES:** Who provides the supplies such as toilet tissues, paper towels, hand soap and trash liners for all the restrooms and trash liners in the common areas, office space?

Answer:

MHHS will provide all supplies including cleaning supplies, trash bags, tissue, paper towels, hand soap, etc.

5. **WALKTHROUGH:** Requesting for a walkthrough to see the layout of all the facilities and who would be our point of contact?

Answer:

Call the PCHC main office at 488-4805 to schedule a site visit.
